WELCOME TO 201: BELIEFS

Welcome to 201:Beliefs! Now that you know about our history and where we came from, let's dive a little deeper into what we believe and where we're going as well as review our core values.

ANTHEM

GOD HAS MORE!

We believe that no matter where we are either in life or in our spiritual walk God has more for us. God has more for our marriage, for our finances, for our children, for our career ... Quite simply, God has more of everything and desires to do infinitely more than all we can ask or imagine in our life.

MISSION STATEMENT

We believe **it's not just about us!** We strive to create an environment for the next generation to **experience God**, and to **impact the world** around them so the **kingdom legacy** can continue.

CORE VALUES

1. Jesus is our message.

Our purpose is to share the unfailing love and truth of Jesus. Quite simply, Jesus is our message. Methods come and go as we grow and evolve. However, the message stays the same.

2. Relationship is everything.

Our foundation is rooted in a true revelation of Jesus. Relationship is everything to gaining this revelation. Our relationship with Jesus is what restores and inspires us to follow him. We are Jesus people, not religious people.

3. Connecting is our responsibility.

Whether we're connecting to Jesus or helping others connect to Jesus, connecting is our responsibility. We know this is extremely valuable to grow God's kingdom.

4. Generosity is our privilege

We believe in creating a culture of giving back what God has so richly given us. It's our honor to give back to Him. Simply put, generosity is our privilege. We generously give of our time, talents and treasure.

5. People are our heart.

Aside from loving God, Jesus made it clear that loving people is the most important thing we can do as Christ followers. People are our heart! We desire to love, honor and value ALL people.

6. Servant leadership is our identity.

We believe every role is different, but every role is important. And, it's a leader's responsibility to inspire and build up those around them. Jesus himself came to serve people not to be served. That is why servant leadership is our identity.

7. Generations are His legacy.

Our purpose is to create a culture where each generation pours into the next, building an inheritance of honor, power, and blessings for the coming generations.

OUR BELIEFS

We believe the **Bible is the Word of God**. Written by human hands but supernaturally inspired by God, it is relevant and the source of all truth and life.

We believe that **God has existed since the beginning**. He is best described as the Trinity. He is made up of three persons but one at the same time: God the Father, Son (Jesus), and the Holy Spirit. Each is different in their characteristics but hold the same power and authority.

We believe that **man was created in the image of God** to dwell with Him forever in paradise. But, man used his free will to disobey God and fell into sin which separates us from God.

We believe that **God has a plan to bring us back to Him**. He sent Jesus, His perfect son, to die in our place and resurrected Him from the dead after three days. It is only through Jesus that our relationship is reconciled and we are in right standing with God once more.

We believe that **salvation through Jesus is a free gift from God**. It cannot be earned or bought. We are saved by grace through faith alone.

We believe **Heaven is real**. It is our eternal destination. It is a free choice given to us by God to acknowledge His sacrifice and live forever with Him or to deny His existence and live forever separated from Him.

We believe that **every Christ-follower should be baptized by water**. Baptism by water is a public declaration of our choice to follow Christ.

We believe **the Holy Spirit lives inside every believer**. The Holy Spirit is our closest companion. He guides, comforts and inspires us on our journey through this life.

We believe that **miracles happen to us and through us everyday**. It is the supernatural power and presence of God in our everyday lives; it is the impossible becoming possible.

We believe **the Church is God's work on Earth**. It is the place that we gather together to experience God and inspire each other to live a Christ-centered life.

We believe that **Jesus will come again soon** just like He promised.
